PROFESSIONAL SUMMARY

Computer Science student who genuinely enjoys solving problems and turning ideas into things that actually work. I care about building software that feels good to use, not just software that runs. I learn fast, take ownership of what I build, and I'm just as comfortable figuring something out on my own as I am collaborating with a team. I'm looking for an internship where the work is real, the challenges are meaningful, and there's room to grow.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, Tailwind CSS, Responsive Web Design

Languages: C++, Python

Tools & DevOps: Git, GitHub, Vercel, VS Code,Antigravity

AI & Prototyping: Prompt Engineering, Claude API, ChatGPT, Lovable, Cursor, v0 by Vercel, Bolt.new, Gemini,GLM,Antropic,AWS

Frameworks: Astro, Flask

Office & Design: Microsoft Office (Word, Excel, PowerPoint), Google Workspace, Canva, Adobe Photoshop, Adobe Premiere Pro, DaVinci Resolve

PROJECTS

FakeBuster — AI Fact-Checker Web App *2026*

fake-buster-omega.vercel.app · github.com/amritanshguptadev/FakeBuster

- Built a misinformation-detection web app using Claude API and live web search; displays verdict, confidence score, and source citations in real time. Deployed on Vercel with CI/CD on every push.

GitGlow — GitHub Profile Analytics Dashboard *2026*

gitglow-inky.vercel.app · github.com/amritanshguptadev/gitglow

- Developed a zero-dependency analytics dashboard consuming the GitHub Public REST API; features animated language charts, star rankings, and contribution streaks using vanilla JavaScript Canvas. Deployed on Vercel with responsive CSS3 UI.

YogaFlow Pro — Full-Stack Booking Platform *2025*

yogaflow-pro.vercel.app · github.com/amritanshguptadev/yogaflow-pro

- Built with Astro v5, React 19, and Tailwind CSS; features session scheduling, Indian localization, responsive mobile-first UI, and CI/CD pipeline auto-deploying to Vercel on every GitHub push.

EDUCATION

Dev Sanskriti Vishwavidyalaya, Haridwar *2024 – 2028*

B.C.A. (Honours) · CGPA: 8.26

New Standard Public School, Raebareli *2022 – 2023*

Senior Secondary — Class XII (CBSE)
