PROFESSIONAL SUMMARY

Computer Science student who genuinely enjoys solving problems and turning ideas into things that actually work. I care about building software that feels good to use, not just software that runs. I learn fast, take ownership of what I build, and I'm just as comfortable figuring something out on my own as I am collaborating with a team. I'm looking for an internship where the work is real, the challenges are meaningful, and there's room to grow.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, Tailwind CSS, Responsive Web Design

Languages: C++, Python

Tools & DevOps: Git, GitHub, Vercel, VS Code, Antigravity

AI & Prototyping: Prompt Engineering, Claude API, ChatGPT, Lovable, Cursor, v0 by Vercel, Bolt.new, Gemini, GLM, Antropic, AWS

Frameworks: Astro, Flask

Office & Design: Microsoft Office (Word, Excel, PowerPoint), Google Workspace, Canva, Adobe Photoshop, Adobe Premiere Pro, DaVinci Resolve

PROJECTS

MindMetric — AI Psychological Assessment Platform

2026

mindmetric-orpin.vercel.app · github.com/amritanshguptadev/mindmetric

- Built a privacy-first psychological assessment platform with 5 peer-reviewed instruments (Big Five, PHQ-9, GAD-7, RSES, ECR-R); features AI-powered insights via Groq API, downloadable A4 PDF reports, and a personal dashboard — fully client-side with zero backend, no accounts, and no data ever transmitted.

GitGlow — GitHub Profile Analytics Dashboard

2026

gitglow-inky.vercel.app · github.com/amritanshguptadev/gitglow

- Developed a zero-dependency analytics dashboard consuming the GitHub Public REST API; features animated language charts, star rankings, and contribution streaks using vanilla JavaScript Canvas. Deployed on Vercel with responsive CSS3 UI.

YogaFlow Pro — Full-Stack Booking Platform

2025

yogaflow-pro.vercel.app · github.com/amritanshguptadev/yogaflow-pro

- Built with Astro v5, React 19, and Tailwind CSS; features session scheduling, Indian localization, responsive mobile-first UI, and CI/CD pipeline auto-deploying to Vercel on every GitHub push.

EDUCATION

Dev Sanskriti Vishwavidyalaya, Haridwar

2024 – 2028

B.C.A. (Honours) · CGPA: 8.26

New Standard Public School, Raebareli

2022 – 2023

Senior Secondary — Class XII (CBSE)

LEADERSHIP & ACTIVITIES

AI for Sanskriti Conference — Short Film Competition: 1st Place

Feb 2026

- Won 1st position in the Short Film Reel Competition at AI for Sanskriti, an international AI conference hosted by the Department of Computer Science & Institute of AI, DSVV Haridwar.

AI for Sanskriti Conference — Website & Hackathon: 3rd Place

Feb 2026

- Secured 3rd position in the Website & Hackathon track; also participated as a debate speaker on digital data-protection and privacy themes.

Chhatra Sansad 4.0 — Think India @ IIT Roorkee

Apr 2026

- Participated in simulated parliamentary debates on national policy alongside student leaders from top institutions across India.

NCC Cadet — 31 UK BN NCC, Haridwar

2023 – Present

- Attended 10-day Annual Training Camp, Aurangabad (Jun 2025); conduct rated Good/Very Good by commanding officers.
- Completed NIELIT Basic Cyber Course (15 hrs) via NDU.DIGITAL under NCC Directorate Uttarakhand — May 2026.

Cybersecurity Awareness Month Quiz — 3rd Place

Oct 2024

- Ranked 3rd in the institution-wide cybersecurity quiz organized during Cybersecurity Awareness Month at DSVV.

CERTIFICATIONS & ACHIEVEMENTS

Polish Language — Certificate of Merit · DSVV International Relations Office

2025

SOF ISSSO — Zonal Rank 21, Medal of Distinction · Science Olympiad Foundation, UP & UK Zone

2022

Personal Letter from PM Narendra Modi · Pariksha Pe Charcha 2023, Government of India

Apr 2023
