# AMRITANSH GUPTA

Software Developer · Web Developer · IT Support

+91-8707368632 | amritanshgupta2026@gmail.com | linkedin.com/in/amritanshguptadev | github.com/amritanshguptadev

## PROFESSIONAL SUMMARY

BCA (Honors) graduate with proven experience in C++, Python, HTML/CSS, and MySQL. Built authentication systems and digital media projects independently. Strong problem-solving, leadership, and collaborative skills. Seeking a Software Developer Trainee, Web Developer, or IT Support role to deliver value from day one.

## TECHNICAL SKILLS

**Languages:** C · C++ (Intermediate) · Python (Beginner–Intermediate) · HTML5 · CSS3 · JavaScript (Basic)
**Databases:** MySQL — CRUD operations, queries, basic schema design
**Tools:** Git & GitHub · VS Code · Google Workspace · DaVinci Resolve · Premiere Pro · Photoshop · Canva
**Platforms:** Windows · Linux · macOS
**Other:** SEO · SEM · Content Strategy · Agile Basics

## PROJECTS

### Basic Login Authentication System — *Apr 2025*

*C++ Console Application · github.com/amritanshguptadev*

- Designed & implemented console-based authentication with username/password verification, file-based storage, and multi-attempt lockout, simulating production-level access control.
- Applied input validation and modular design, improving code reliability and strengthening understanding of access control systems.

### Data Privacy Awareness Short Film — *Mar 2025*

*Tools: DaVinci Resolve · Premiere Pro · Photoshop · Audacity · Canva*

- Scripted, directed, and produced a short film on digital data privacy, reaching 300+ viewers across student networks.
- Iteratively refined visuals and script based on viewer feedback; demonstrated end-to-end production: storyboarding, editing, audio, and distribution.

## EXPERIENCE

### IT Support & Technology Adoption Initiative — *2023 – 2024*

*Dev Sanskriti Vishwavidyalaya, Haridwar*

- Engineered an IT support system that increased teacher technology adoption by 30%, resolving recurring hardware/software issues school-wide.
- Produced self-help documentation that reduced repeat support requests and improved overall lab uptime.

### Event Coordinator — *2024 – Present*

*Dev Sanskriti Vishwavidyalaya, Haridwar*

- Organised cyber awareness and farewell events for 200+ attendees; hosted Safe Internet Practices webinar for 100+ students.

### Coding Club Member — *2025 – Present*

*Dev Sanskriti Vishwavidyalaya, Haridwar*

- Collaborative coding sessions, peer code reviews, and team mini-projects to strengthen programming and development fundamentals.

## EDUCATION

| Degree | Institution | Score | Year |
|---|---|---|---|
| BCA (Honors) | Dev Sanskriti Vishwavidyalaya, Haridwar | 8.27 CGPA | 2025–2026 |
| BCA (Honors) | Dev Sanskriti Vishwavidyalaya, Haridwar | 8.35 CGPA | 2024–2025 |
| Senior Secondary (XII) | New Standard Public School | 80% | 2022 |
| Secondary (X) | New Standard Public School | 90% | 2020 |

## ACHIEVEMENTS & CERTIFICATIONS

- **300+ viewers** on Data Privacy Awareness Film via targeted student network distribution.
- **30% improvement** in teacher technology adoption by engineering a campus IT support system.
- **3rd Place** Race Event — Utsav Competition, Dev Sanskriti Vishwavidyalaya.
- **Certifications:** Polish Language (Dev Sanskriti, 2025) · Science Olympiad Qualifier (SOF, 2022) · Pariksha Pe Charcha (Govt. of India, 2023)
